## SAP FICO Certified Associate Consultant

Tunis, Tunisia | +216 92 272 729 | mariemria@outlook.fr | [www.linkedin.com/in/mariemriahi](https://www.linkedin.com/in/mariemriahi)

### SUMMARY:

---

A proactive SAP consultant with a background in Business Analytics and Finance, characterized by attention to detail, enthusiasm, and a strong drive. I offer dedication, diligence, and a passion for continuous learning. My goal is to deepen my expertise in SAP S/4HANA, gain further knowledge, and assist SAP clients in leveraging the benefits of implementing Best Run SAP to transform their businesses.

### PROFESSIONAL EXPERIENCE:

---

#### PwC TAC Tunisia

##### SAP FICO Associate Consultant | July 2022 - Present

- **SAP S/4HANA Cloud Public Edition TMA Support Project:**
  - Created System Understanding Documents (SUDs) and reports.
  - Performed data migration using staging tables in the Migration Cockpit.
  - Interacted with key and end users, providing guidance and support to help them understand system functionalities.
  - Worked on ticket management and troubleshooting to resolve issues related to AR, AP, GL, and Output Management.
  - Participated in Knowledge Transfer (KT) sessions, gaining a deeper understanding of the project's scope and business requirements.
  - Transported changes and modifications from the quality system to the production system to ensure smooth deployments
- **SAP S/4HANA Public Cloud Implementation Project:**
  - Assisted in design workshops, gathering functional and technical requirements to prepare deliverables across the Design, Prepare, and Realize phases.
  - Developed skills in SAP Central Business Configuration (CBC) and S/4HANA cloud system setup.
- **Renault Horse Carve-Out Project (SAP ECC):**
  - Prepared and executed User Acceptance Testing (UAT), including documentation.
  - Assisted in data migration using LSMW templates for accurate data injection.
- **PwC TAC S/4HANA Sandbox Configuration:**
  - Customized Financial Accounting (GL, AP, AR) modules and configured FI-SD and FI-MM integrations.
  - Documented configuration steps for future internal use and reference.
- **Internal Training Project – SAP Academy:**
  - Delivered a training session on Accounts Receivable (FI-AR), focusing on the Order-to-Cash (O2C) process with demonstrations.
  - Developed training materials for FI-AR and FI Closing Operations, including slides and configuration guides.
- **Palo Alto Networks Project (S/4HANA, mini project):**
  - Participated in design workshops to identify customer needs, gather functional and technical specifications and deliver design documents (SPECS)
  - Designed User Acceptance Tests (UAT) documents and performed testing on the system

#### SAP

##### SAP Young Professionals Program Participant (SAP YPP) | Feb 2022 - Mai 2022

- Selected among 25 participants from over 900 applicants.
- Gained hands-on training in SAP S/4HANA FI modules, focusing on Accounts Receivable (AR), Accounts Payable (AP), Asset Accounting, FI-Banking, and FI Closing Operations.
- Participated in Design Thinking workshops and explored the Business Model Canvas.
- Attended specialized sessions, including Internal Sales Overview, Empower 2.0, and the Virtual Mindfulness in Action Workshop.

## PROFESSIONAL EXPERIENCE:

---

### PwC Tunisia

#### Strategy and Management Consulting Intern (End of Studies Internship) | Feb 2021 - June 2021

- Developed a Business Diagnosis and Performance Tracking Framework for startups.
